

LSSD LIVERY REDESIGN – VANILLA STYLE

This is a small mod that redesigns the vanilla Sheriff Cruiser and Sheriff SUV by combining both aspects from both vehicles while also keeping the consistency to the game lore. The Sheriff Cruiser will also use the siren tones from the Sheriff SUV.

Please do note that the vehicles in this mod use partial mapping like R* did on their vehicles. This mod is compatible with the [Quality of Life Vehicle Fixes Pack](#), installing this mod will override the Sheriff Cruiser model from the pack.
