

IMPROVED BOXVILLE

This mod aims to improve the vanilla Boxville. The improvements include quality of life fixes such as normal fixes, new sliding doors, new rims, and new vanilla-style liveries in addition to the original ones. Both Utility and Delivery versions of the Boxville are affected by this change.

LIVERIES:

DELIVERY BOXVILLE:

- GoPostal
- PostOP
- AlphaMail
- United States Post

UTILITY BOXVILLE:

- Los Santos Department of Water & Power
- Los Santos Department of Sanitation
- Los Santos Department of Green Power
- Los Santos Department of Wind Power
- The Los Santos State Gas Company
- Los Santos Department of Nuclear Power

REQUIREMENTS:

- [Packfile Limit Adjuster](#) by Unknown Modder
- [HeapAdjuster](#) by Dilapidated

INSTRUCTIONS:

- Run OpenIV, click on “Edit Mode”;
- Place the "sp_boxville" folder on update/x64/dlcpacks/;
- Go to update.rpf/common/data and edit the *dlclist.xml* file, add the following line and then save it;

```
<Item>dlcpacks:/sp_boxville/</Item>
```

- **Now go to** `update.rpf/common/data/levels/gta5/` **and edit the *vehicles.meta* file, replace these respective entries with the lines from the *vehicles meta lines* file and then save it;**
- **After following these steps, launch the game and enjoy.**

CHANGELOG:

- 1.0** – Initial release
- 2.0** – Remade the whole vehicle
