

Project Postalgia V

Requirements

- [Custom gameconfig](#)
- [Heap limit adjuster](#)
- [Packfile limit adjuster](#)
- [Sirenssetting limit adjuster](#)

Installation guide

1. Start OpenIV.
2. Go to your **mods** folder (if you don't have one, create it).
3. Move the **oldpol** folder from this .rar file inside: **mods/update/x64/dlcpacks**.
4. Find and open **dlclist.xml** in: **mods/update/update.rpf/common/data**.
5. Add the following line to the bottom of said file: **<Item>dlcpacks:/oldpol/</Item>**

26 – Blaine County Division Entire Blaine County, Paleto Bay and Sandy Shores are contracted by the LSSD.	

Additional information regarding agencies available in the pack

- Davis Police Department (defunct 2000) – Former municipal law enforcement agency for the city of Davis and additionally Rancho. It was disbanded and replaced by the sheriff's department.

-
- Los Santos County Police Department (defunct 2010) – Former security police agency for the County of Los Santos, serving county hospitals, the coroner's office, public parks, court buildings and other important infrastructure. The roof numbers present on cars hold no significance. It was merged with the sheriff's department.

-
- Los Santos Transportation Authority Police (defunct 1997) – Former transit police agency for the Los Santos Transit network, including its bus lines and underground metro. It was merged with the city police department and its duties were covered by division 30.

-
- Del Perro Police Department – Municipal law enforcement agency for the city of Del Perro, its beachside and nearby Pacific Bluffs.

-
- Rockford Hills Police Department – Municipal law enforcement agency for the city of Rockford Hills (and Burton).

Del Perro and Rockford Hills patches created by Alex Ashfold for Emergency Uniforms Pack.

Terms of use

- Do **not** exploit the contents of this pack for commercial, financial or personal gain.
- Do **not** reupload this pack or it's assets to other websites.
- If you intend to use assets present in this pack, ask the authors of said assets for their permission as terms of use may differ per creator. This includes 2d assets and 3d assets (cars, their equipment and so on).
