

## **PORNHUB ARENA - READ ME**

**Thanks for downloading my mod! I hope you like it, it's the second mod of my "PH-series". The Maze Bank Arena will turn into a Pornhub Arena.**

### **Known bugs**

**\*none\* - if you notice one please contact me!**

### **Changelog:**

**1.0 - First upload**

**1.1 - Minor changes**

**2.0 - Big update: Fixed the glowing, fixed the FiveM version and fixed some textures.**

### **Installation for Singleplayer:**

- 1. Open either 1 or 2 (depending on which version you want)**
- 2. Open OpenIV and enter Edit Mode.**
- 3. Drag the .oiv file in OpenIV and follow the installation window of OpenIV.**
- 4. Finished!**

## **FiveM:**

**Join my Discord server and follow the instructions under #fivem-versions to get the resource**

- 1. Go to the resources folder of your FiveM server and drag the “PHARENA” folder in.**
- 2. Open your server.cfg and type:  
“ensure PHARENA”.**
- 3. Finished!**
