## **.Frequently Asked Questions.**

### **Changing light colors?**

light colors can be changed in the ytd, you can change the amber to another color of your choosing.

### **Additional liveries**

can support up to 7 liveries and seats up to 4,template included, you may publish the skins you create, just link to this download.

### **How to open compartment doors?**

Use your vehicle trainer menu to toggle off/on Extra\_ten

### **How to operate light tower?**

Using your vehicle trainer or vehicle menu, open bonnet/hood, activate lights with high beams

Currently light only shines to the right..

If you save this vehicle in your trainer or vehicle menu you can operate the doors and vehicle components while outside the vehicle.

### **Why don't you make this mod non els?**

Question is why dont you do that, non els is way to much of a headache to do. But you can stay tune as i get a buddy of mine to convert some of my trucks to non els. This is slow process.
