By downloading this file you agree to the terms of use

Installation

(Fivem) download is ready for install just drag and drop **nypdimpala** folder to your vehicles folder and add **start nypdimpala** to your server.cfg, clear your server cache and restart. Spawn with **nypdimpala**.

(single player install instructions)

this mod is compatible with fivem and SP

This mod is compatible with single player as an add on, in the future I will update the download

using open IV - edit mode

Singleplayer - add on dlc

Download the newest version, follow this download for updates.

Use openiv (download from <https://openiv.com/>) put this in the mod folder, using edit mode then go to :

mods/update/update.rpf/common/data/dlclist

open it with right click and click on edit and add this line

```
<Item>dlcpacks:/nypdimpala/</Item>
```

then go in :

mods/update/x64/dlcpack

and add NYPDIMPALA folder

Spawn with trainer "nypdimpala"

Open IV Autoinstaller

(You will need open IV, www.openiv.com)

Download the files Navigate to folder OPENIV autoinstaller

Double click on the nypdimpala2003, install to mod folder.
